### **SKILLS**

#### HUMAN LANGUAGES

English (native)
Mandarin Chinese (fluent)
German (intermediate)
Latin (intermediate)

### PROGRAMMING

Python

Javascript

HTML

CSS

SQL

# TOOLS & TECHNOLOGIES

Unix

Git

AWS

Flask

JQuery

D<sub>3</sub>

Tableau

Adobe InDesign

Figma

LaTeX

#### **INTERESTS**

Data Visualization
UI/UX Design

Language Exchange

**Tutoring** 

Piano

Mythology

Skiing

Escape Rooms

## WORK EXPERIENCE

#### **Data Visualization Developer**

Reflective Educational Research

Jan. 2021 - present Remote

- Built customizable and filterable dashboard visualizations from scratch using Javascript, d3, Flask, AWS RDS, EC2, and S3 to investigate the impact of technology on K-12 schools
- Developed features such as a login system, ability to update dashboard through file upload, options for comparing school data to global average, etc.

#### **Teaching Assistant**

Katholische Universität Eichstätt-Ingolstadt

**Sep. 2021 – present** Eichstätt, Germany

• Taught 6 weekly class hours to university students from a diverse set of backgrounds

#### Research Associate

Boston College, Dept. of Computer Science

Sep. 2018 - Sep. 2021

Chestnut Hill, MA

- Trained word embedding models and deep learning models using keras, genism, and BERT for classification and prediction tasks to research the language of people with autism and dementia
- Analyzed data to study differences between subject groups and published multiple papers summarizing our findings
- Defined research schemas for labeling pragmatic data features and trained new research assistants on relevant tools and procedures

#### **Data Science Intern**

Lotus Project

Jun. 2020 - Aug. 2020

Remote

- Collaborated with an international team to develop a map dashboard visualizing potential for economic development in a given location using a calculated index
- Built dashboard using Javascript, Flask, Google Maps API, Google Charts API, AWS DynamoDB, and EC2

# **EDUCATION**

#### **Boston College**

B.A. in Computer Science & Linguistics

Aug. 2017 - May 2021

Chestnut Hill, MA

- GPA: 3.93 / 4.0
- *Honors*: Phi Beta Kappa, Dean's Scholar Award, Sophomore Scholar Award, Advanced Study Grant, National Latin Exam Scholarship
- Activities: Screaming Eagles Marching Band, Pep Band, Student Committee Lead for CS Faculty Interviews, CS Teaching Assistant, Conversation Partners Program

**Linguistic Society of America Summer Institute** 

Jun. 2019 – Jul. 2019

**Bishop Guertin High School** 

Aug. 2013 – Jun. 2017
